REMARKS	25X1		
This is UNEVALUATED Information			

On 27 and 28 June 1955, Soviet military posts in Austria were occupied as follows: 25X1

27 June. Ebreichsdorf, Laxenburg and Stammersdorf hospital, occupied.
Klosterneuburg guarded, Bruck/Leitha, Kagran, Kaisersteinbruch, Hainburg
and Florisdorf tank repair shop, occupied.
Urfahr, Mauer Gehling, Melk and Amstetten hospital occupied.
Korneuburg and Stockerau occupied.

28 June. Baden, Blumau, Hirtenberg, Berndorf, Wiener Neudorf, and
Tribuswinkel, occupied.
Moedling, Vienna X, Traiskirchen and Goetzendorf occupied.
St. Poelten including Camp Spratzern, Gaming and St. Peter, occupied.

☐ Comment. The information fails to indicate any changes in the occupation of the military posts in Austria, except for the Korneuburg and Stockerau posts of the 23d AAA Div, which have been occupied by only guard details since early June. The AAA regiments, which were assumed to have been stationed at Apetlon during the month of June, apparently returned to their posts. 25X1
